

RESULTS OF IIT-P in NEET exam (2013-17)

- 15 admissions in MBBS in Govt. Medical colleges.
- Admissions in Top colleges like AFMC, CMC-Vellore, MGIMS, BJ, GS, Nair, Manipal etc.
- Success Rate in getting GMC is 20% from 2013-17 batches which is the highest in Western India.

About IIT-P and ENTRANCE MASTERS

IITian's Prashikshan Kendra Pvt. Ltd. (IIT-P) is a 16-years old pioneering coaching institute in Pune and is the leading coaching institute in Pune in IIT-JEE coaching. Over 5000 students have been coached in the past 16 years who are all well-placed in their respective careers in different parts of the world today.

ENTRANCE MASTERS (EM) is a corporate division of IITian's Prashikshan Kendra Pvt. Ltd. formed in 2012 which focuses primarily on Medical Entrance exams like NEET, JIPMER & AIIMS. ENTRANCE MASTERS has its own team of Biology faculties and academic personnel who ensure a smooth functioning of the TOP DOCTORS program. The TOP DOCTORS program is conducted under the aegis of ENTRANCE MASTERS.

Shaunsak Mangeshkar
GS MEDICAL
MBBS

Shruti Ghule
BJ MBBS

Motivation

According to the Medical Council of India (MCI), the current ratio of doctors to population in India is 1:1700 whereas the minimum prescribed ratio by WHO is 1:1000 and the same ratio in developed nations like US, UK and Australia is 1:400. There is a 75% shortage of doctors with Post Graduate degrees in hospitals in India. India has barely 8 lacs practising doctors in Modern Medicine. Therefore, there is tremendous scope for students aspiring to be doctors. There is tremendous potential to contribute to the nation socially as well as to earn financially.

Career Paths via NEET

There are a host of courses which are accessible to a student via NEET exam. They include popular courses in Medicine like MBBS, BDS, BAMS, BHMS and BPT. Besides these, there are exciting courses in Occupational Therapy, Biotechnology, Bio-informatics, Biomedical Engineering, Microbiology and Pharmacy.

Medical seats & competitive scenario

There are about 65000 MBBS seats and about 26000 BDS seats in India in the 450+ Medical colleges of which MBBS seats in Govt. Medical colleges are 25000 and the number of MBBS seats in Maharashtra are around 2400 only. About 12 lac students appear for NEET every year of which 1.5 lac appear from Maharashtra and hence there is stiff competition amongst students to bag the coveted Medical seat.

The 2-years coaching program for NEET is designed by IIT-P to lend a competitive edge to students in this era of cut-throat competitions.

IIT-P is the most successful coaching institute for JEE & NEET in Pune !

TOP DOCTORS PROGRAM : AUTHENTIC NEET COACHING

About TOP DOCTORS Program

The 2-years TOP DOCTORS program is a comprehensive 1200 hours program to coach the student in the subjects of Biology, Physics and Chemistry rigorously for NEET, JIPMER & AIIMS exams. Elementary chapters of Mathematics are also taught in the initial part of the program which help the student to understand Physics and Physical Chemistry better. The TOP DOCTORS program has 4 academic pillars viz. Teaching, Testing, Study Material and Counselling cum guidance. All the 4 pillars of the TOP DOCTORS program are strong and hence the program is emerging as a popular classroom program for NEET on the Pune coaching eduscape.

ACADEMIC CALENDAR FOR TOP DOCTORS 2020 PROGRAM

Time Line	Course Highlight	Weekly Load	Daily Load
May – June 2018	Refreshers course (optional)	3 days / week	2.5 hours / day
June – Oct 2018	Phase 1 : NEET Lectures	6 days / week	2.5 hours / day
Nov – March 2019	Phase 2 : NEET Lectures	6 days / week	3 hours / day
April – Oct 2019	Phase 3 : NEET Lectures	6 days / week	3 hours / day
Nov – Jan 2020	Phase 4 : Revision + Test Series	4 days / week	3 hours / day
Jan – Mar 2020	Break for XII Boards	-	-
Mar – May 2020	Phase 5 : Tests + Doubts Sessions	3 days/ week	3 hours / day

Teaching

The lectures are interactive and delivered by a team of excellent and experienced faculties. The Biology Faculty Team is headed by Prof. Anuradha Bhagurkar who has over 25 years of teaching experience in Biology. The Physics and Chemistry Faculty team is drawn from the rich pool of faculties of IIT-P who are well-versed in coaching students for JEE. Since the level of difficulty of NEET exam in Physics and Chemistry is close to that of JEE MAINS, these JEE Faculties suit the role of NEET Faculties perfectly.

Testing System

The TOP DOCTORS Program offers 3-D Testing system for NEET in classroom, take-home and online formats. Detailed solutions and projected All India Ranks are provided to students after every Test. The student shall have access to over 150 Practice Tests during the course of the 2-years program. Parents are intimated by SMS about their ward's performance after every Test.

Study Material

IIT-P provides 12 books as study material for NEET preparation. A few text books shall have to be however bought from the market by the student. The 12 books includes NEET questions bank, Mock Tests, XII Boards Notes etc.

Counselling & Guidance

IIT-P provides counselling and guidance from time to time to students during the 2-years program so that they can improve their study efficiency and remain focussed on the TD-2020 program. If the student feels the need, a one-to-one counselling session is organised with senior counsellors in IIT-P.

Centers & Batches

The TOP DOCTORS program shall be conducted in JM Road, Aundh, Kothrud and MG Road centers. Please contact our Admission counsellors for exact timings in each center.

About Admission Test (MET-18)

In order to take admission into the TOP DOCTORS 2020 program, the student is expected to clear an Admission Test called MET-2018. The MET-2018 has 50 questions of which 20 are based on Logical Reasoning, 20 on Biology and 10 on Physics & Chemistry. All questions are multiple-choice questions with four options and one answer correct. 4 marks are awarded for the correct answer and 1 mark is deducted for the wrong answer. So, the MET-2018 is out of 200 marks and the passing score is 50 marks. There are scholarships awarded for students scoring above 50 marks.

Exam Pattern of NEET

The NEET exam is the Single National Medical Entrance exam since 2017 by an Act of Parliament for over 450 Medical colleges in India except AIIMS and JIPMER. The NEET exam has 180 questions (90 in Biology, 45 each in Physics and Chemistry). Each question carries 4 marks and there is negative marking with 1 mark deducted for every incorrect answer. So, the NEET exam is out of 720 marks and typically cut-off for Govt. Medical college MBBS seat is around 480 marks for an OPEN Category student and qualifying marks in NEET are around 130 marks.

Pune Scenario in NEET

The awareness of the fact that NEET exam has a level of difficulty close to that of JEE MAINS is not known to most Medical aspirants in Pune. About 18000 students from Pune aspire to get admission via NEET into various Medical and para-medical courses every year. However, hardly 1000 students from Pune enrol themselves into any rigorous 2-years NEET coaching program. Rest of the students remain complacent by joining Std.11 + 12 + CET classes which do not provide proper NEET coaching.

Therefore, it has been observed in NEET 2013, 2016 & 2017 that hardly 75 students from Pune scored over 500 marks every year from Pune. This scenario can easily change if more students enrol themselves into credible 2-years coaching programs for NEET like TOP DOCTORS program.
